DON'T FORGET TO DAYLIGHT SAVINGS ENDS

SET YOUR CLOCK BACK ONE HOUR

Daylight Saving Time officially ends this
Sunday:

On Sunday, November 2, 2025, at 2:00 am, Daylight Saving Time will conclude across the United States and Canada, except for the states of Arizona and Hawaii, as well as the Province of Saskatchewan. Although the Sunshine Protection Act has again been introduced in both the U.S. House and Senate to make Daylight Saving Time permanent, Congress has taken no further action so far this year. As a result, it's once again time to "fall back" — don't forget to set your clocks back one hour as we return to standard time.

Compliance Committee

Quick Reminder About Violation Notices

As a friendly reminder to all homeowners, if you receive a violation notice, you have 15 days to either:

- **Respond to your Compliance Coordinator with your planned next steps, or**
- **Complete the work needed to resolve the issue**

If no response or action is taken within that 15-day window, the violation will be forwarded to the Committee, and fines may be assessed.

Please note: Some violations, such as damaging Association property or overnight parking, are considered non-curable and will be sent directly to the committee without the 15-day grace period.

We appreciate your continued cooperation in keeping our community looking its best!

— Your Compliance Team

Tips for Staying in Compliance

To help keep Island Walk beautiful and in compliance with community standards, please review these important reminders:

1. Exterior Modifications

- Any exterior changes require prior approval from the Architectural Control Committee (ACC).
- This includes installing or removing landscaping, adding new house numbers, or making any other exterior modifications.

2. Parking Rules

- **No overnight parking** is permitted on any common area between 11:00 PM and 6:00 AM.
- This includes, but is not limited to, the street around the Arubas and the apron at the end of the driveway.
- No vehicle shall be parked at any time on any sidewalk or portion of a driveway which would block, in whole or in part, the sidewalk, or prevent access to another Unit's driveway.
- No vehicle, including golf carts, shall be parked at any time on any vegetation, including grass.
- In accordance with Florida Statute 316.195, parking vehicles the wrong way on any Island Walk street is prohibited. The right-hand wheels of a vehicle must be parallel to and within 12 inches of the right-hand curb.

3. Pet Etiquette

- Please keep dogs on a leash at all times when outdoors.
- Be courteous to neighbors and pick up after your pets.

4. Outdoor Appearance

- Ensure there are no loose items (such as tiles or debris) left outside your home.
- Fruit trees are not permitted anywhere in Island Walk.
- Each lot must have at least one County-approved Florida native hardwood tree.
- Please make sure all exterior walls, including privacy walls, driveway, roof & gutters, lanai, and all other walls are free of mold, weeds, mildew, dirt, or rust.
- Any outside equipment, such as pool equipment or AC units, must be screened using ACC-approved 15-gallon shrubs or planting material, with 3 plants on each visible side. The landscape screen height must match or exceed the height of the equipment.

5. Temporary Equipment & Vehicle Placement

- All pods, dumpsters, U-Hauls, and similar items must display a permit issued by the Town Center, facing the street side, before placement on the driveway.

6. Garbage Containers

- Please store garbage containers in your garage on non-collection days.

7. Golf Cart Registration & Operation

- Residents who own or lease golf carts to be driven in Island Walk must register such golf carts with the Association.
- Golf carts must be non-gasoline powered.
- All drivers of golf carts must have a valid automobile driver's license.

Thank you for keeping Island Walk safe, beautiful, and compliant!
