Island Walk Garden Club

The Garden Club is dedicated to enhancing the beauty of our landscape.

We have been gradually adding orchids to the trees around the town center.

If you have an orchid that has stopped blooming and you wish to discard it, think of us instead. Donate the orchid(s) to us and we will hang them. Let it bloom from the trees for all to see.

Orchids that seem damaged, but still have a leaf, can be resuscitated.

Contact Michael Finkel, of the Island Walk Garden Club at Michaelfinkelmd@gmail.com when you are ready to donate your orchids.

Thank you for supporting the Garden Club
