# Q & A for Landscaping

## Questions from Homeowners

### **When will my leaves be picked up?**

The HOA budgeted 3 leaf pick ups for this year. Leaf drop from our Live Oaks occurs during February and March with another drop in October. Round 1 pick up is in progress. There are 42 streets in Island Walk. It is a slow process, but Juniper will get to your street, Any remaining leaves will be picked up on Round 2 which will follow the completion of Round 1.

### **Why is my lawn not being mowed?**

Mowing has resumed. Due to drought conditions it was placed on hold to help the turf retain much needed moisture.

---

### **When am I getting sod?**

Sod installations were paused in November as we entered the dry season. If you were on the sod list, you will remain on it. If you feel you are in need of sod and wish to have it looked at, please contact [islandwalklandscapecommittee@gmail.com](mailto:islandwalklandscapecommittee@gmail.com) As we get closer to rainy season yards will once again be assessed. Mother Nature rules. Let's hope she will be kind and send rain!

### **What's going on with irrigation?**

Water for irrigation comes from our lakes which are actually stormwater retention ponds. Lake levels are seriously low. They are normally low at this time of year, but with the drought conditions we are in, they are much lower than normal. We need to be vigilant about watering, and unfortunately, had to limit the irrigation to once per week for front yards only. Please consider using your hose to sustain any dry plant material.

### **What is the status of plant installations?**

You may notice HOA plantings being removed such as dying hollies, dead podocarpus, or old schilling hedges. The spots will remain empty for a bit, but they will be filled with fresh plants. We ask for your patience.

## NOTICES

### SOD INSTALLATIONS

Sod installations have been on hold since November. Due to our low lake levels we can not irrigate sufficiently. New sod requires daily watering, and currently irrigation is only running once per week for the fronts of homes.

Addresses already on the sod list will remain on the list. Once the sod program resumes all properties will be evaluated.

### LEAF PICK UP

The second round of leaf pick up is still in progress. **PLEASE** after your street has been cleaned do not blow leaves that drop on your driveway into the street. Kindly bag and put out on recycling day.

# COMCAST INFORMATION

---

**Bulk Center of Excellence - Residents Direct Line: 833-501-1893**

Text the words "On it" to 266-278 for an agent to call you directly!

**Standard Customer Service: 800-934-6489**

---

## Comcast Escalation Procedure

*What are resident's options when they have contacted the Comcast Center for Excellence (800/934-6489) several times and the same problem with Comcast TV or Internet still exists?*

1. It is important the resident has contacted Comcast at (800/934-6489) **at least twice** and that Comcast attempted to fix the problem twice, but the problem still exists.
2. The resident should then send an email, with a subject line of "Comcast Escalation" to the front desk attendant ([IslandWalkOffice@castlegroup.com](mailto:IslandWalkOffice@castlegroup.com)) or visit the front desk with the following information:

**Resident's Name:**

**Address:**

**Phone number:**

**Email Address:**

**Description of Problem:**

**Frequency of Problem:**

**Dates problem was called into Comcast: (800/934-6489)**

**Did Comcast Visit Home?**

3. The resident's email will be forwarded to a special 2<sup>nd</sup> level Comcast escalation center.
4. Comcast will contact the resident within 2 business days, usually by phone, and determine a plan of action.
5. If the resident isn't contacted by Comcast within 2 business days or Comcast failed to resolve the problem the resident should contact the IW front desk.

## Island Walk Garden Club

The Garden Club is dedicated to enhancing the beauty of our landscape.

We have been gradually adding orchids to the trees around the town center.

If you have an orchid that has stopped blooming and you wish to discard it, think of us instead. Donate the orchid(s) to us and we will hang them. Let it bloom from the trees for all to see.

Orchids that seem damaged, but still have a leaf, can be resuscitated.

Contact Michael Finkel, of the Island Walk Garden Club at [Michaelfinkelmd@gmail.com](mailto:Michaelfinkelmd@gmail.com) when you are ready to donate your orchids.

**Thank you for supporting the Garden Club**

## From the Green

Take some time away from all the hustle and bustle of everyday life and come enjoy a peaceful escape at the Island Walk Putting Green, with scenic views stretching from the course to the lake and bridges beyond.

Activities include monthly Ladies' Social Event, bi-weekly Competitive Tournaments, along with **Open** use.

Since our last email, we have had several tournaments, and we just completed our first Annual Championships. See below for all the recent tournament results.

Open daily, except during organized events, the Putting Green is in excellent condition and beautifully landscaped. Features include nine numbered hole flags, five chipping pads, and an artificial long-grass bunker. Designed for all ages and skill levels, this recently rebuilt amenity offers both fun and challenge. Grab a putter (or chipper) and some golf balls and come out and enjoy the Putting Green.

---

## Email Lists and Event Notifications

Interest in the Putting Green continues to grow. We currently have **125 people** on our Putting Green email distribution list. In addition, we maintain two specialized lists:

- **Ladies' Social Events**
- **Competitive Tournaments**

If you would like to be added to any of these lists, please contact **Marv Bomberg** at **[iwputtinggreen@gmail.com](mailto:iwputtinggreen@gmail.com)**. Once added, you'll receive event notifications and can enter events simply by replying to the email.

---

## Committee Members Wanted

The **Island Walk Putting Green Committee** is seeking additional homeowners with golf experience to help plan events and guide future improvements. If you are interested in volunteering, please contact Committee Chair **P. J. Stakelum** at [pjsiibod@gmail.com](mailto:pjsiibod@gmail.com).

---

## Upcoming Events

- **April 23:** Competitive Tournament
- **April 30:** Ladies' Social Event
- **May 7:** Competitive Tournament

Event notifications with details for registering will be distributed through our email lists and the Island Walk Newsletter. A Friday Happy Hour event is being considered. Watch your email for more information on this.

---

## Tournament Formats

Competitive Tournaments are open to adult men and women who enjoy friendly competition. Course setups may be a little more challenging to test your putting and/or short gameskills. A small entry fee is collected with 100% payback in the form of prize money.

Unless otherwise announced, all events are **team formats**, with teams randomly assigned just prior to the start of play. This approach helps level the playing field and encourages broader participation. You do **not** need to sign up with a partner to play.

So as to vary play from one tournament to the next, the **tee marker locations** are relocated on the green, thereby giving our putting green a different feel each time and adding to the fun.

---

## Chip and Putt Events

In December, we introduced "**Chip and Putt**" events. While our traditional putting tournaments have consisted of 18 putting-only holes, our chip and putt events combine some par-3 chipping holes with some par-2 putting-only holes. A typical par-3 chipping hole starts with a chip from one of the chipping pads or the long-grass bunker, followed by two putts to hole out.

These **Chip and Putt** layouts are specifically designed to test short-game skills and have been a fun and popular addition to our tournament offerings.

---

## Recent Tournament Results

Since our last update, participants have enjoyed a variety of putting and chip-and-putt formats, with layouts changing from event to event to keep play fresh and challenging.

### **February 12 – Two-Person Team Chip and Putt Competitive Tournament**

This was an eighteen-hole tournament. On each hole, the lower score of the two golfers was recorded as the team score, and the sum of the eighteen-holes became the total team score with the low team score winning.

- 1st Place: David Riepe and Ray Milavsky – 37
- 2nd Place: Tommy Calandrella and Penny Miller – 38
- Honorable Mention: Lauren Essex and Ric Schultz– 39
- Honorable Mention: Eve Marinos and Dave Bamesberger– 39

### **February 26 – Two-Person Team “Match’em” Competitive Tournament**

This was an eighteen-hole tournament. On each hole, both team golfers recorded their strokes from tee to hole. If the two scores were the same (i.e., they “matched”), then for the team score was the sum of the two scores less one stroke. If the two scores did not match, the team score was simply the sum of the two golfers’ scores. The team with the lowest score was the winner.

- 1st Place: Bill Chisum and Dennis Krilla – 70
- 2nd Place: Randy Solomon with Blind Draw – 72
- Honorable Mention: Tom Mozdziak and Hayes Wicker – 74

### **March 12 – Two-Person Team Best Ball – Alternate Shot Competitive Tournament**

This was an eighteen-hole tournament. The first nine holes were played as a Best Ball format and the second nine holes were played as an Alternate Shot format.

- 1st Place: Marv Bomberg and Eve Marinos – 37
- 2nd Place (tie): Phil Grisaffi and Bill Whalen – 38
- 2nd Place (tie): P. J. Stakelum and Paul McHugh – 38
- Honorable Mention: Penny Miller and Stan Bates – 39

## **March 25 – March 28 Championship Tournament**

The Championship Tournament was actually three different tournament events with each event consisting of 36 holes played over two days.

### **Event A Singles Putting Only:**

- 1st Place: Tommy Calandrella – 76
- 2nd Place: Dave Bamesberger - 77
- 2nd Place: Roy Palanacki – 77
- Honorable Mention: Marv Bomberg - 78

### **Event B Two-Person Best Ball Putting Only Event:**

- 1st Place: Dave Riepe and Jack Hanlon – 72
- Honorable Mention: P.J. Stakelum and Dave Bamesberger - 75

### **Event C Singles Chip and Putt:**

- 1st Place: Dave Bamesberger – 93
- 2nd Place: Marv Bomberg - 96
- Honorable Mention: Roy Palanacki - 100

## **Island Walk Men’s Golf League**

In addition to Putting Green activities, Island Walk also sponsors a **Men’s Golf League**. From January through April, league matches and tournaments are held at **Stoneybrook Golf Course in Estero**. During the remainder of the year, league golfers play weekly at courses throughout Collier and Lee Counties.

For more information, please contact **Dave Riepe** at [davidriepe@yahoo.com](mailto:davidriepe@yahoo.com).

COLLIER COUNTY SHERIFF'S OFFICE  
- COMMUNITY EMERGENCY RESPONSE TEAM -

# WANT TO JOIN CERT?

## What is CERT?

The Community Emergency Response Team (CERT) program trains the public in basic disaster response skills such as team organization, disaster medical operations, fire safety, and light search and rescue. The ability for CERT volunteers to perform these activities frees up professional responders to focus their efforts on more complex, essential, and critical tasks.

Before, during, and after disasters, CERT volunteer teams perform basic response activities, including checking in on neighbors, distributing information to the public, supporting emergency operations centers, and helping to manage traffic and crowds.

In a disaster, emergency services may be overwhelmed, and communication networks may be unavailable. Trained CERT members can provide a critical first response in their own neighborhoods, performing initial damage surveys and providing essential life-saving aid while directing emergency responders to areas with the most urgent needs.

CERT teams will have opportunities to assist the Collier County community in awareness events, public gatherings, and missing person searches. Some may have opportunities to deploy to disaster areas outside of Collier County when disaster strikes our neighbors elsewhere in Florida.

Collier County Sheriff's Office | **SHERIFF KEVIN RAMBOSK**  
Emergency 911 | Non Emergency 239-252-9300  
[colliersheriff.org](http://colliersheriff.org)

There is a total of 24-hours of class time which will be presented over several weeks to accommodate schedules. Classes will typically be 3 or 4 hours each and will consist of both presentation and hands-on practical training.

### **What training is involved as a CERT member?**

- Disaster Preparedness
- CERT Organization
- Disaster Medical Operations - Part 1
- Disaster Medical Operations - Part 2
- Disaster Psychology
- Fire Safety and Utility Controls
- Light Search and Rescue Operations
- Terrorism and CERT
- Disaster Simulation

### **Is it dangerous to be on a CERT team?**

There is always some risk inherent in helping others, but one of the CERT program's top priorities is your safety. You cannot effectively help someone else if you are injured, so your safety comes first. During the core training, we will emphasize your role and areas of responsibility, including actions you may (and may not) take when responding as part of CERT.

### **What is expected of me as a CCSO CERT member?**

Members of the CCSO CERT team will be volunteers and subject to background checks before being admitted to the program. After completing the initial 24-hour course, final exam and disaster

simulation, CERT members will be organized into teams by neighborhood. CCSO CERT members will be expected to attend regular meetings to receive training updates and new program information.

What other opportunities with CCSO are available to me once I'm a CERT member? For those who are interested expanding their service to the community, the Collier County Sheriff's Office is proud to offer diverse volunteer opportunities for community member involvement.

CCSO volunteers have opportunities to work in a variety of capacities throughout the agency including patrol support, crime prevention education, issuing disabled parking citations, fingerprinting, administrative / clerical duties, assisting detectives, monitoring jail video visitations, translating, and chaplain services to inmates.
