Please plan accordingly and share
this information with your neighbors!

SOD UPDATE FOR 8.14.26

Crews have a few more areas to complete on Prescott before moving to Queen Elizabeth.

Availability of sod is often an issue at this time of year. Heavy rains flood fields and harvesting can not keep up with demands.

Sod will only be installed up to the front door at this time.

The new sod is scheduled to receive 2 short waterings twice daily for a few weeks.

New sod will not be mowed for 30 days.

Please do not leave debris for pick up on the turf area of the verge.

COMPLIANCE REMINDER

PLEASE FOLLOW COMMUNITY STANDARDS

Roof tiles, bricks and other similar building materials stored on the exterior of private property are only permitted while roof or other allowed construction is underway and must be stored inside the property after construction is completed.

Compliance Reminder

Any damage to the Common Area, property, or equipment of the Association caused by any Resident, their families or guests shall be repaired or if not, replaced by the Association at the expense of such Resident. Common Area and those facilities in and around the Town Center buildings include, but are not limited to, the resort pool, lap pool, bocce courts, lawn bowling area, putting green, gazebo, tennis pavilion, tennis and pickleball courts, lakes and associated equipment. Failure of a Resident to repair such damage may also result in suspension of amenities.

COMMUNITY SAFETY NOTICE

Coconut Removal in Progress

Juniper has begun removing coconuts throughout the community, with the work expected to continue through the end of this month.

Please Use Extra Caution

Residents are asked to remain very cautious while walking and driving throughout the community during this work.

Please be especially careful around Island Walk Circle,

DRIVE SAFELY

WALK CAREFULLY

Thank you for your patience and cooperation as this work is completed.
