DRIVING ON FRESH ASPHALT: IS PROHIBITED. WAIT AT LEAST 24 HOURS

Fresh asphalt:

- Driving on fresh asphalt **IS PROHIBITED. WAIT AT LEAST 24 HOURS.**
- Is soft and susceptible to damage from vehicles
- Needs time to cool before it is opened to traffic
- **Do not park vehicles** on your street on Fresh Asphalt.

How to Drive on Fresh Asphalt:

- **Do not turn your wheels** while your vehicle is stopped on Fresh Asphalt.
 - This will result in tearing of the asphalt surface.
- **Do ensure your vehicles are moving** (either frontwards or backwards) before turning your wheels
